

Morning Announcements

Good morning. Today is Friday February 2, 2024 and it is a **RED** day.

**Please stand for the Pledge of Allegiance
I pledge allegiance to the flag
of the United States of America,
and to the republic for which it stands:
one nation, under God, indivisible,
with Liberty and Justice for all.
You may all be seated.**

Good Morning, next week is Happy National School Counseling Week! This message is from Ms. Glynn: Did you know that each year the BMS school counselors host a College and Career Week? We encourage you all to participate and start thinking about your future. During this week each grade level has a specific event they will participate in such as Career Café, budgeting exercise, and the 8th grade College Event. We also encourage everyone to participate in our mock interview day. The events help us learn about all different careers that coordinate with our interests. We have plenty of College items to raffle off so make sure to participate for a chance to win. This year's college and career week will be April 29th to May 3rd. Well, that's all for now, and P.S. We love you!

PS I LOVE YOU DAY is on February 9th! On the **second Friday of every February**, we encourage communities to wear purple in order to foster kindness and a welcoming environment, and educate others that mental health is just as important as physical health. We need your help to make this program successful. Today in homeroom you will be watching a Video about PS I LOVE YOU Day.

One way you can show you care is to send a PS I LOVE YOU GRAM.
